GOING PAPERLESS FORM

Noble Energy, Inc. ("Noble") including NBL Permian LLC (formerly Clayton Williams Energy, Inc.) and Southwest Royalties, Inc., have partnered with PDS Energy Information, Inc. ("PDS") to provide an Interest Owner Online System. Through this online resource you can obtain your revenue detail, free of charge, through a secure internet website 24 hours a day, seven days a week. This service will enable you to review and print your revenue detail in the same format as the paper detail you receive through the mail. The actual check is NOT part of this service and you will continue to receive your funds by the payment method you have selected, either Check or Direct Deposit.

As a revenue recipient, you may gain access to your revenue detail by first enrolling in the paperless service by returning this Going Paperless Form to the address detailed below and you must contact PDS at 1-800-318-7850 to obtain a temporary login and password. Once you have received your temporary login and password from PDS, you will be able to log into the Interest Owner Online System (www.nblenergy.com and click on Interest Owners from the home page) in order to complete the new user setup, create your own login name, password and security question, review and agree to the Terms of Service Agreement.

You will then be able to view and print your revenue detail or elect to have the information automatically emailed to you each month as new detail becomes available. You will also be able to see if a check/direct deposit has been voided.

Noble is proud to offer this service to our interest owners and believes this will be a tremendous benefit to both the interest owners and our environment.

For assistance with the Interest Owner Online System, please contact PDS at 1-800-318-7850. PDS can also assist you in combining logins if you are either a PDS user or a check stub data exchange ("CDEX") participant.

For Noble revenue related questions, please contact our Owner Relations Hotline at 1-800-220-5824 or visit our website at www.nblenergy.com.

Check Box

By checking the box to the left, I (we) ELECT TO RECEIVE Noble's revenue detail electronically from the website referenced above and agree to discontinue the mailing of paper copies.
